

PARK VIEW CONDO HOA

December—2017

Park View Condo HOA Residents—

It is a busy time as many people are gearing up for the holiday season and the New Year. Board Meetings for the new year will be scheduled and details will be posted on your HOA Website. If you have questions or suggestions, we invite you to attend an upcoming Meeting. Homeowner input would be greatly appreciated! As always, if you see something in the community that needs attention, please contact Foster Management. Issues cannot begin to be resolved, unless they are reported.

Respectfully—

The Park View Condo HOA Executive Board

WINTER NOTES...

As the season has changed, be sure to note the following—

- ◆ Currently, with the dry warm weather, winter watering is a necessity in Colorado. When temperatures are above 40°, water shrubs and trees.
- ◆ Snow removal is contracted through the HOA. Crews are scheduled once the minimum snow threshold is reached for your community. If you have concerns, contact management directly.
- ◆ Park in designated areas only—this allows the crews better access for snow removal.
